

# Ultimate Luxury Privacy & Profile

Private charter Trains and private carriages for corporate, agency & exclusive individual travel, in the UK and world wide.

## Private Trains

Available for any number of passengers, from a couple to many thousands. Charter Trains travel from anywhere via anywhere to anywhere with tailored timetables.

Train Chartering form the private Train to suit the particular needs of the client, with single or mixed travel classes drawing from fleets of Luxury, Premier, 1st Class or 2nd Class carriages. Other carriage types include conference & exhibition cars, bar cars, sleeping cars and a variety of other specialized stock.

## Private Carriages

Train Chartering secures and manages private Premier, 1st or 2nd class carriages on public or charter Trains for groups of up to 150.

## Train Guide

TrainGuides are available for groups of up to 12 on public or charter Trains. Knowledgeable TrainGuides escort from start point to final destination and are available for information or conversation during the journey.

# Nobody waves at a plane

A private charter train is not just for transport.
